## YES, IT'S TRUE!

- Eye level visibility close to the road.
- Extraordinary low costs.
- Targeted advertising placement exactly where you want it.
- Goodwill association with protecting children from the elements.

Amazingly, school bus shelter ads are more efficient than TV, radio, print, mobile, and other billboards. Discover why insurance agents, realtors, restaurants, and other small businesses have purchased these for over 60 years and never let them go!
